

SADDLE ACCESSORIES

MARK TODD SCROLL SADDLE PAD

This scroll stitched designed numnah is perfect for exercise at home or at competitions. It has a hook and loop girth strap and restraining girth loop to prevent the pad from slipping under the saddle. Machine washable on a cold wash

SHOWMASTER II OBLONG NUMNAH

This cotton quilted numnah is filled with 15mm foam rubber. The shaping over the horse's wither is reinforced. Suitable for use with general purpose and jumping saddles.

SHOWMASTER II SHAPED DRESSAGE NUMNAH

This cotton quilted numnah is filled with 15mm foam rubber. The shaping over the horse's wither is reinforced. Specifically designed to fit dressage saddles. Colours: Black

SHOWMASTER WAFFLE WAVE SADDLE PAD

The Showmaster waffle wave saddle pad is made with the complete comfort of your horse in mind. The saddle pad features a composite 300g polyester and 15mm foam padding and is manufactured with a moisture wicking waffle type fabric to help reduce excessive sweating under the saddle pad while the horse is exercised. Finished with an attractive wave stitch pattern, co-ordinating piping, hook and loop girth retaining straps and restraining girth loops. Colours: Black and White.

ZEBRA ACRYLIC SQUARE NUMNAH

This numnah is made of imitation sheepskin. It contains 30mm foam rubber and is oblong in shape. It provides comfort for the horse with its soft cushioning characteristics. Suitable for jumping, general purpose and dressage saddles

ZEBRA TRAINING PATCH

This work numnah is made of 3 inch foam rubber covered with extremely durable upholstery material. Provides maximum cushioning especially where one saddle has to be used on many different horses. Popularly used for racehorses, school ponies and trail riding horses.

STAR PRINTED GEL PAD

This gel pad is slim, provides an anti-slip surface for your saddle and is lightweight with superb impact absorbing properties to reduce the risk of back and wither injuries in horses. Its perforations allow for a constant air flow, keeping the horse's back cool and it is suitable for most types of saddles and equestrian activities. Features a unique star printed design. Colours: Dark Blue only. Sizes: Full only.

ECONOMY NYLON STIRRUP LEATHERS

These hard-wearing, webbing stirrup leathers have nickel plated buckles. They are non-stretch and will never snap or become uneven. Popularly used on racehorses when in training. Colours: Black Length: 140cm.

EQUIBETTE STIRRUP LEATHERS

These imported stirrup leathers are 1" wide. The leather is lined with nylon where the stainless steel buckles are stitched on. They are good quality and soften easily with good care. The holes are numbered for your convenience.
